Attention Members

Coronavirus Update

24th March, 2020

Dear Members,

As a result of the ongoing and fast-changing circumstances of the COVID-19 virus in Australia and overseas, The Board of Yalara has taken the view that:

1. The Lodge will not be open and will not be available for persons to stay at the Lodge while the current Australian Government directive is in place that restricts gatherings of people. If and when that situation changes we will update this advice.
2. Any person who has a current booking that will be impacted by this (especially those people going in over Easter) will be entitled to a full refund and are to contact the Booking Manager (Nicola Moran).
3. Payments will be deferred to a later date to be advised. All booking requests that were confirmed and invoices issued will be refunded in full. Other booking requests held by the Booking Manager and not yet confirmed will be held pending until such time as we are otherwise advised by the government.
4. The Club will not be accepting any new bookings until such time as the situation clears.
5. We will continue to monitor the situation and the Government advice and keep our members updated.

Thanking you and keep safe.

Andrew Frater
