

YALARA ALPINE SKI LODGE RULES 2020 (v1, 19 June 2020).

This year the lodge is going to operate quite differently. Please make sure you and your guests understand and agree to the below conditions.

Some of these conditions will mean that you may have less time for skiing as additional cleaning requirements must be met. This is a condition of the lodge operating in 2020.

As the NSW Government lifts restrictions further these rules and conditions may be updated.

COVID Safe Plan:

1. Yalara has a COVID Safe Plan. Please read it. There will be a copy in the lodge and on the website.
2. As per the Perisher website and NSW Government advice, we encourage members to utilise the COVIDSafe app whilst attending the Lodge.

Cleaning:

1. External cleaners will come to the lodge twice a week on a Monday and a Friday.
2. Guests will only be able to move into a room which has been cleaned by the external cleaner.
3. An additional cleaning charge will be incurred to standard rates for the 2020 season as a result.
4. Members and guests are also expected to undertake cleaning of their own rooms, ensuite bathrooms and kitchen areas and common areas as is usual. This is required to ensure we meet the highest standards of cleanliness in the lodge.

Bookings:

1. Bookings can only be accepted for Friday check ins, starting at 3pm, and Monday check ins, starting at 3pm.
2. If you are unwell and unable to attend the lodge to meet your booking, we will refund your booking fee. If you or anyone in your group is unwell you must not attend the lodge.

Guests:

1. Guests will only be able to share rooms with family or people in their group.
2. Anyone who is unwell will not be admitted to the lodge.

4. There will be a member on site in a house captain role throughout the season. The house captain will make sure appropriate rosters for cooking, eating etc are adhered to in order to maintain social distancing. The house captain may also direct additional cleaning to be undertaken by guests of areas they have used, in accordance with the Covid Safe Plan.

1. The number of people allowed in the kitchen at any one time is to be limited to no more than 6.
2. Cooking times/dining times will be scheduled/agreed with the house captain to manage this requirement. A white board with rostered details will be set up in the kitchen area.
3. As cooking is completed, all areas are to be wiped down both before and after food preparation/cooking. Cleaning is to occur before a party moves to the dining area to enable another guest to safely use the kitchen.
4. Dining tables are to be wiped down and cleaned as soon as the meal is finished.
5. Tea towels will need to be washed on a daily basis. This will be included on the roster. If this does not occur, they will be removed from the kitchen area and paper towels will need to be used instead.
